lots of luck next year and in the future! Have been this summer.

1971

The
THEME
of the 1961
ANTHONIAN is
GROWTH. It considers not only the individual SPIRITUAL, MORAL, INTELLECTUAL, SOCIAL and PHYSICAL GROWTH of the Class of 1961, but also the GROWTH of our environment.

Certainly the past four years has witnessed a remarkable stretching toward maturity. We hope our interest in classroom and extra-curricular activities bears witness to a response to the INTELLECTUAL, MORAL and SPIRITUAL alertness that marks the true Christian.

While in the larger area of space-time we have moved into an atomic age and hover on the threshold of the space age, our immediate environment has also shown remarkable GROWTH. Saint Anthony's has developed into the largest parochial school west of the Mississippi, serving more than 35 parishes. Long Beach has grown from 160,000 to a metropolis of more than 340,000.

We have witnessed these GROWTHS and believe that our training will enable us to leaven our GROWING environment with the principles of Christian charity. We look to the challenge of the future with firm faith and hope based on the solidity of the foundation obtained at Saint Anthony.

We gratefully DEDICATE the 1961 ANTHONIAN to all who have contributed to our GROWTH: to Almighty God, the source of all GROWTH; to the Church, the guide of our SPIRITUAL GROWTH; to our families, the protectors of our MORAL and PHYSICAL GROWTH; to our teachers, the mentors of our INTELLECTUAL GROWTH; and to our city, the background of our SOCIAL GROWTH.

The faculty — priests,

brothers, sisters and

dedicated laity —strive

by words to teach

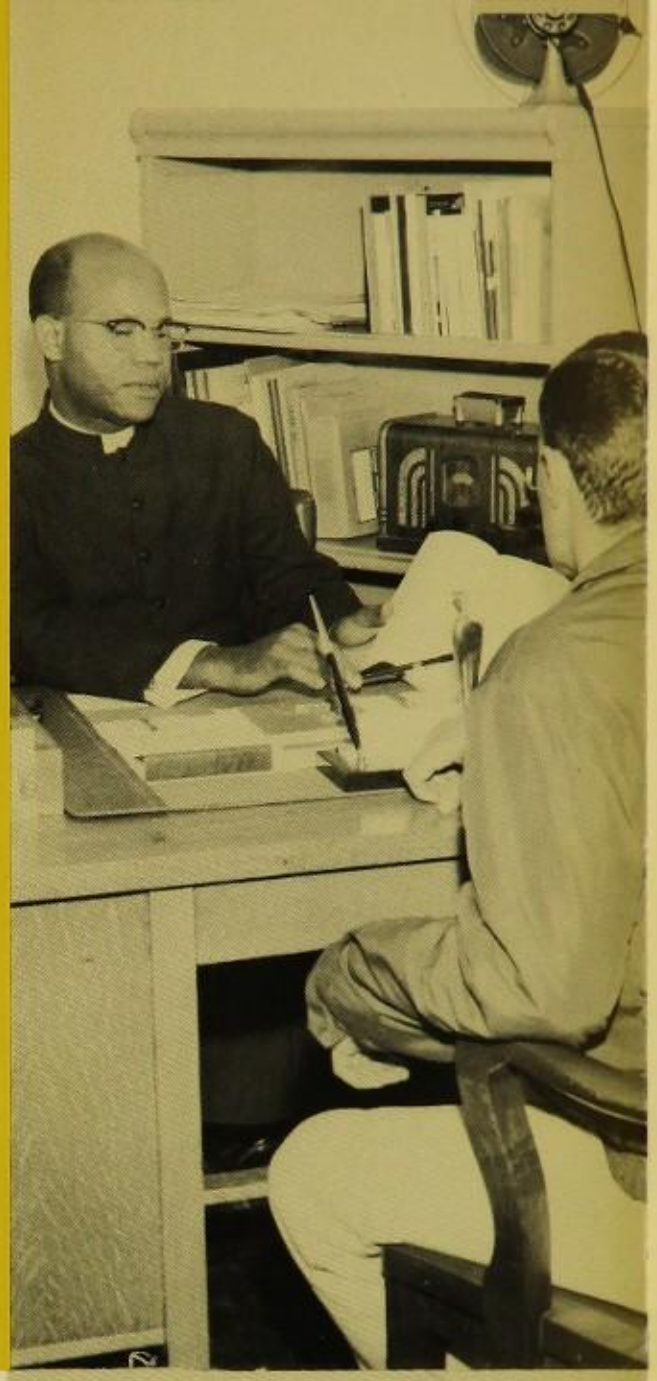
us to know and by

example to lead us to

do all that is inherent in

the concept of

MORAL GROWTH.



Sister Marie Therese, I.H.M.
Principal, Girls' Department

Brother John McLaughlin, C.S.C.

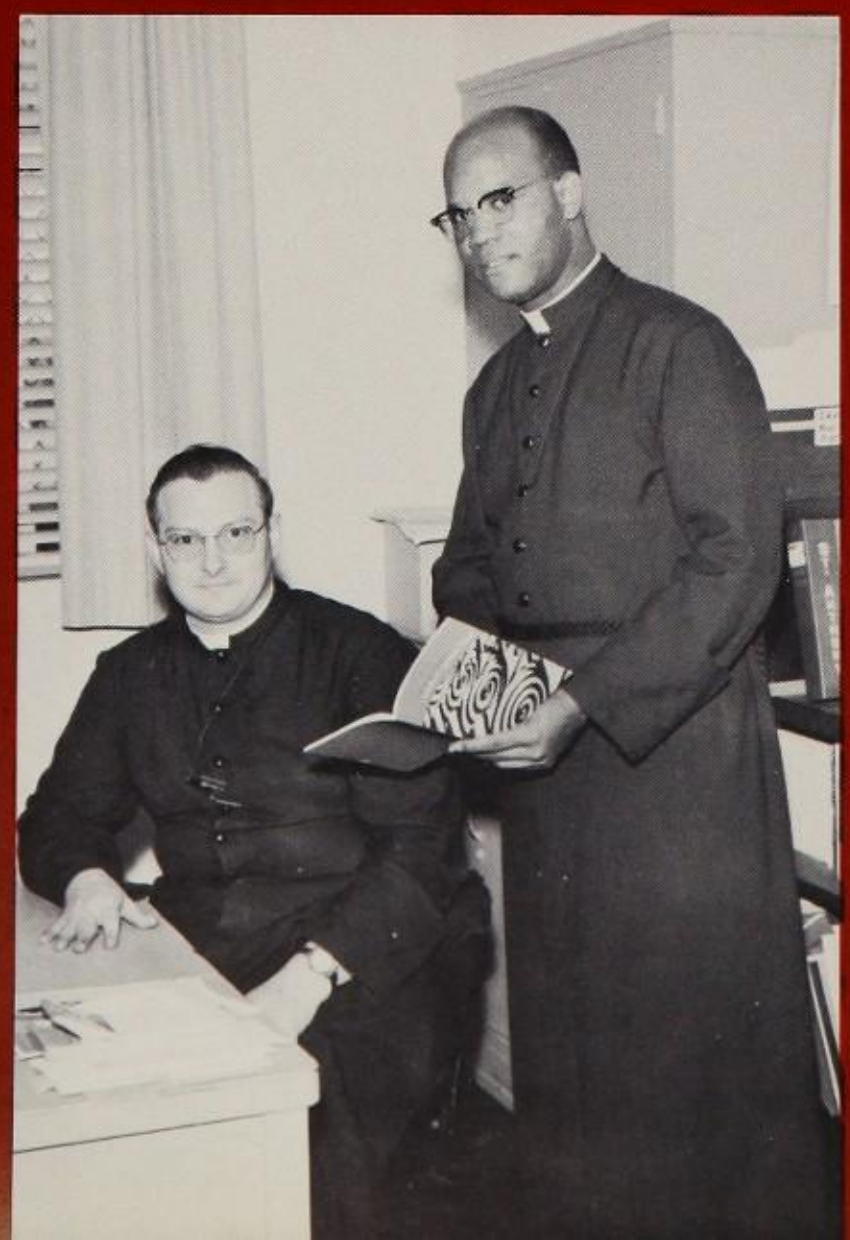
Fathers Dennis Burke, Sylvester Ryan and **Patrick Colleran**, our busy Religion teachers, have few leisurely moments between their many classes and other duties, yet they always have time to counsel any "Saint" who needs their help.

Brother Mel Keil, director of studies, and **Brother Joseph Everett**, guidance counselor, discuss a curriculum problem.



Latin classics
are not neglected
under the able teach-
ing of **Sister M. Leo**, vice-

The physical and biological wonders of science are introduced to us by **Sister Bartholomew** and **Sister Sheila Marie**.

Brother James Gorman, ANTHONIAN moderator, shows plans for the 1961 year-book to **Mr. Paul Leehan, Mr. Francis McCarthy** and **Mr. Henry Sijohn.**

Sister Cleophas and **Sister Thaddeus** check over a new set of typewriting tapes for use in the business classes.

Agreeing that modern languages require modern methods, **Sister Berta Alicia, Sister Dolores** and **Sister Redempta** prepare to audition records for use in their Spanish and French classes.

Typing transcripts is only one of the important functions of an important person, **Mrs. John O'Connor,** secretary of the girls' department.

Mrs. Marvin McCormick, boys' department secretary, **Mrs. Louis Monohan,** assistant librarian, and **Mrs. James Conlan,** assistant treasurer, are caught in a rare moment of relaxation in the boys' department office.

The developing intellect is curious and searching, seeking the hows and whys of what it encounters. Our varied classes provide the stimuli necessary to challenge and channel this quality into true INTELLECTUAL GROWTH.

Chemistry's bubbling sorcerers, Bill Muno and John Fitzpatrick, try out some new wizardry.

With the help of these juniors this year's band was the best ever. They are Ed Price, William Trainor, Charles Sanchez, William Rolf, Ed Moran, John McAvay, Don Stevenson, Manuel Urban, Vincent Hindley, William Dawkins, and Carl Benscheidt.

Junior sections come through again wi
11S2 and 11S4 winning first and secon
places respectively in the Christmas bask
contest. ("Mother Hubbard," 11S2, wo
first place — Cathy Burhenn — and "R
dolph," 11S4, won second place — Ma
garet O'Brien, section themes and sectio
presidents.)

Juniors **Marsha Gossett, Sue Barry, Lorraine Texeira, Cathy Lawler, Julie Rogers and Michelle Chenal** seem to have grown accustomed to the intriguing intricacies of the chemistry lab and enjoy working their experiments.

ACTIVITIES

The educational needs of the student are not met merely through formal classroom instruction. The many aspects of growth are reflected in the multi-faceted co-curricular and extra-curricular activities that are a vital part of school life and learning. Through participation in these various religious, scholastic and social functions, students strive towards a greater maturity in their **SOCIAL GROWTH.**

We will always be grateful to Monsignor Dolan, St. Anthony's pastor, who has provided not only the physical facilities of our school but who also has made so easily available all the spiritual needs essential for developing a good Catholic life. The daily hours of confession, the convenient hours of daily Mass, the constant availability of the priests for guidance and counseling, the annual retreats, and the many other means of spiritual growth should all culminate in the development of many real "saints."

Phi Delta Theta

Phi Delta Theta, the equivalent of the sodality in the Boys' Department, is divided into two groups. The Senior group is under the direction of Father Sylvester Ryan and the Junior organization is headed by Father Patrick Colleran. The aim of the discussion groups is the sanctification of its members through increased devotion to the Blessed Virgin and the Rosary, and Blessed Sacrament. Another important aim is the training of leaders. Among the projects of this school year were a Thanksgiving clothing drive, distribution of Christmas baskets and supervision of the Tidings subscription drive. The groups were host to the Sodality Forum of the Long Beach area on Sunday, January 15.

The Sodality of Our Lady is a chief source of spiritual growth and the heart and soul of the school. It strives to bring its members closer to Jesus through a special devotion to the Immaculate Heart of Mary. Among the Sodality's many activities are included monthly visits to the Long Beach General Hospital, clothing and stamp drives, daily recitation of the rosary, participation in the annual Guadalupe Procession, Christmas caroling, and the sponsoring of the Christmas baskets.

This year Our Lady's Sodality has adopted a secondary motto: "Becoming is more than belonging." They have sought the betterment of the Sodalists by attaching a spiritual motive to each project.

The Sodality of Our Lady, previously two organizations —a Junior Sodality for Freshmen and Sophomores and a Senior Sodality for its Junior and Senior members—is now a single body, a factor contributing to its greater unity. The first year of membership, however, is spent in a special probation committee in which each sodalist becomes familiar with the general rules.

One of the greatest honors bestowed on our Sodality this year was the privilege of serving as host to the monthly diocesan forum meetings. Involving six of our neighboring Sodalities, these forums have proven beneficial to all who have attended.

Participation in club activities for National Honor Society members includes civic as well as school projects. This year's agenda has taken the girls on two money collecting tours-of-duty — one for the Community Chest and one for the Cerebral Palsy Fund. In addition, they have compiled the quarterly honor roll, sponsored "Fudge-for-Funds" sales to augment the Society's scholarship fund, and sold popcorn balls during the girls' basketball tournament, also for the scholarship fund. This scholarship will take the form of a grant awarded to a graduating member for college studies. The year's activities will be climaxed with a special day honoring the lay members of the faculty.

Student CSFers realize that scholarship without service is one-sided thus their motto "Scholarship for Service." Students become members by accumulating 10 grade points a semester and then serve their school and community by participating in specific activities of responsibility. As a reward for their achievements, members are given an honor day on which the club has their semester outing.

STAFF

As many are well aware by the continuous activity in the staff room, the preparation of the 1961 ANTHONIAN took a great deal of work on the part of the annual staff. It was the editors, typists, photographers, business staff, and general all-round workers who made this yearbook possible. Under the guidance of the faculty advisors, Brother James Gorman, C.S.C. and Sister M. Luke, I.H.M., these enthusiastic and generous people have endeavored to make this the most memorable yearbook to date.

The staff hopes the student body will enjoy this publication as much as it has enjoyed the editing.

Faithful and hard-working co-editors Larry Triesch and Mary Catherine Pinter seem pleased with the first signature. Mary Catherine holds a copy of the cover which she designed.

Manager **Tom Flood** and assistant **Tom Andersen** don't seem to be accepting assistant **John Romero's** explanation. Not pictured faculty moderator, **Brother Franklin, C.S.C.**

Without the efficiency and the hard-working financial wizards of the business staff the annual's editorial staff would not be able to do as many things as they have tried this year. The success of the ad drive—evidenced by the size of the book—attests to this group's work.

The **Paduan** staff consists of John Bowden, Boys Editor; John Paap, Business manager; Mike Kenney, editor; Pat Le Blanc, sports editor; Jim Doyle, associate editor; Dave Landry, editorial writer; Priscilla Hamelin, Helen Atwood and Pat Metzger, reporters, and Jackie Costello, Girls Editor.

The **Paduan** made its debut on the campus during the 1960-61 school year and quite an impressive debut, it was. With the students doing almost everything but running the presses, the bi-weekly paper kept the student body alert to coming events, as well as submitting a few choice articles for controversy. Circulation was run entirely on a subscription basis and approximately half of the students of both departments subscribed. The present staff envisions a more elaborate **Paduan** in the future.

PHOTOGRAPHY CLUB

In addition to rendering valuable service to the various student publications, The Saint Anthony Photography club also conducted a photo contest during the second semester for the students. Included in the group are Leon Artac, Jim Plutte, Ray Lanier, Bob Rife, Mike Farrell, Howard Day, Richard Gutmann, Louis Dominguez, Ray Herbeck, and Revis Robinson.

PRESS CLUB

A rather loosely-knit organization, the Press Club's main purpose is to publicize St. Anthony's. The members have leading staff positions on the various school publications, serve as publicity directors for various student organizations, or serve as correspondents to area newspapers. Seated are Chris Lee, Bob Rife, Pat Sopher, Dave Landry, Mike Spinelli and John Romero. Standing are Jim Doyle, John Graves, John Gonsalves, Larry Triesch, Tom Grajeda and Mike Kenney.

Science Club members include (sitting) Karl Zehnder, Gary Bodensteiner, Peter Bowes, Ken Whittaker, Mike Spitt and Francis Richards. (Standing) Dennis Sanchez, Leonard Hodnett, James Bockrath, Mike Rounds, Larry MacDonald, Louis Dominguez, and Richard Gutmann.

Science Club officers, Mike Rounds, James Bockrath and Larry MacDonald view an Indiana Pottery exhibit in the school library.

The Boys' Department Science Club is one of the newest organizations on the campus. It was organized during the current school year to promote a greater interest in scientific ideas over and above the regular science curriculum which includes such studies as Biology, Chemistry and Physics.

SCIENCE CLUB

Manuel Ortega and Mickey McDiarmid work on a Biology experiment.

Mike Puskas and Tim Gormly work on a Chemistry Lab problem.

Mike Schuck and Gary Wagner find physics experiments "fascinating."

SCIENCE CLUB

Many and diverse were the activities of this small but enthusiastic group. Panel discussions, guest speakers, films, field trips to the La Brea Tar Pits, the Hancock exhibit at the Los Angeles County Museum, the psychometric lab at Immaculate Heart College, and lowtide excursions to Point Fermin were some of the undertakings of the club. The culmination of the year's events was the sponsoring of a school science fair. This year's officers were: **Karen Behrens**, president; **Camille Giarratano**, vice-president; **Lorraine Texeira**, secretary; **Diane Courtney**, treasurer.

Panel discussion is led by **Sue DeNike, Roseanne Monohan, Ellen Wright, Caroline DeHart, Mary Kay Asenbauer.**

Terry O'Reilly tries to persuade his audience that "socialized medicine is the thing."

Dave Landry looks like he has just finished with a very entertaining argument for the opposing side to refute.

Tom Walsh sneaks a last minute peak before devestating his opposition.

Gene Owens very urbanely seems to be getting his point across.

John Lungren orates as Tom Walsh wipes away a smile.

THETA LAMBDA THETA

Theta Lambda Theta, honorary speech fraternity, was established in the Boys' Department on October 20, 1960 to foster and encourage a well-rounded forensic program on local, state and national levels, and to encourage its members to further their educational aims in the arts and sciences.

THETA LAMBDA THETA MOTHERS: Mrs. S. Brooks, Mrs. D. Rutolo, Mrs. J. Clark, and Mrs. J. Lungren—These mothers of speech students travel often with the squads to tournaments as judges, this rendering an invaluable service.

CHARTER MEMBERS: Quinton, Walsh, John Plutte, Paap, Lungren, Landry, Owens, Brooks, Clarke, and Woods.

Since Theta Lambda Theta is an honorary speech fraternity, it is limited to students enrolled in Speech, maintaining a 2.0 average or better in all solid subjects. To become eligible, the Novice must secure 25 National Forensic points by participation in interscholastic speech competition, and/or service club competition in this area. At least 50 points, 25 each semester, must be gained to retain membership. Membership is secured only at the end of the semester on recommendation of an active member and a review by the fraternity's executive board.

MEMBERS: J. Clarke, C. Bell, J. Paap, T. O'Reilly, R. Putnam, M. Woods, T. Walsh, W. Grabyan, M. Maloney, J. Lungren, James Plutte, R. Mattson, D. Brooks, J. McDonald, J. Doyle, John Plutte, R. Quinton, G. Owens, and P. Sopher.

SPEECH and DRAMA

Many long hours of hard study have gone into this year's speech and drama club. Projection, articulation, and presentation were stressed during class and after school hours. Featuring choral speaking, monologues, plays, and general speech, the drama class has established itself as an active group on campus.

To encourage a growing interest in a classical language is the aim of Societas Optimatium Romanorum, the St. Anthony Latin Club. During the year charts, games and other projects were completed for the purposes of understanding the roots of culture of Western Civilization, developing a finer appreciation of the accomplishments of ancient Rome, and studying the beginnings and growth of our modern Romance languages.
This year a Latin Day was presented for the enjoyment of all members. The girls, dressed in Roman garb, participated in a mythology scavenger hunt, a search for hidden treasure, a lunch auction conducted entirely in Latin, and Latin games. Excitement ran high as the winners of the various festivities accepted their awards.

FRENCH CLUB

The French Club with its able board—President Michelle Chenal, Vice President Iljosa Jurkovic, Secretary Sue Casey and Treasurer Louise Landry—has been quite successful in attaining their goals. The general aims are the fostering of a love of the language, the growing in knowledge and appreciation of the culture and the civilization of the nation. They have participated in the National French Contest and presented a French language play in the Mount St. Mary's Drama Festival.

SPANISH CLUB:

The Spanish Club, under the direction of Sister Dolores and of Sister Berta Alicia, is composed of three committees—cultural, great books, and research. These learn the customs, cultures, and the traditions of Spain and of Latin America.

LAS GUADALUCITAS, the Spanish Club paper, contains accomplishments of each committee, special reports, and the future activities of the group.

Some of the activities were the Mount St. Mary's Drama Festival, the Guadalupe Procession, Las Posadas, the Spanish Club assembly and various field trips.

The banner shown by **Pam Pierce** and **Iris Breslin**, committee heads, was used in the Guadalupe Procession.

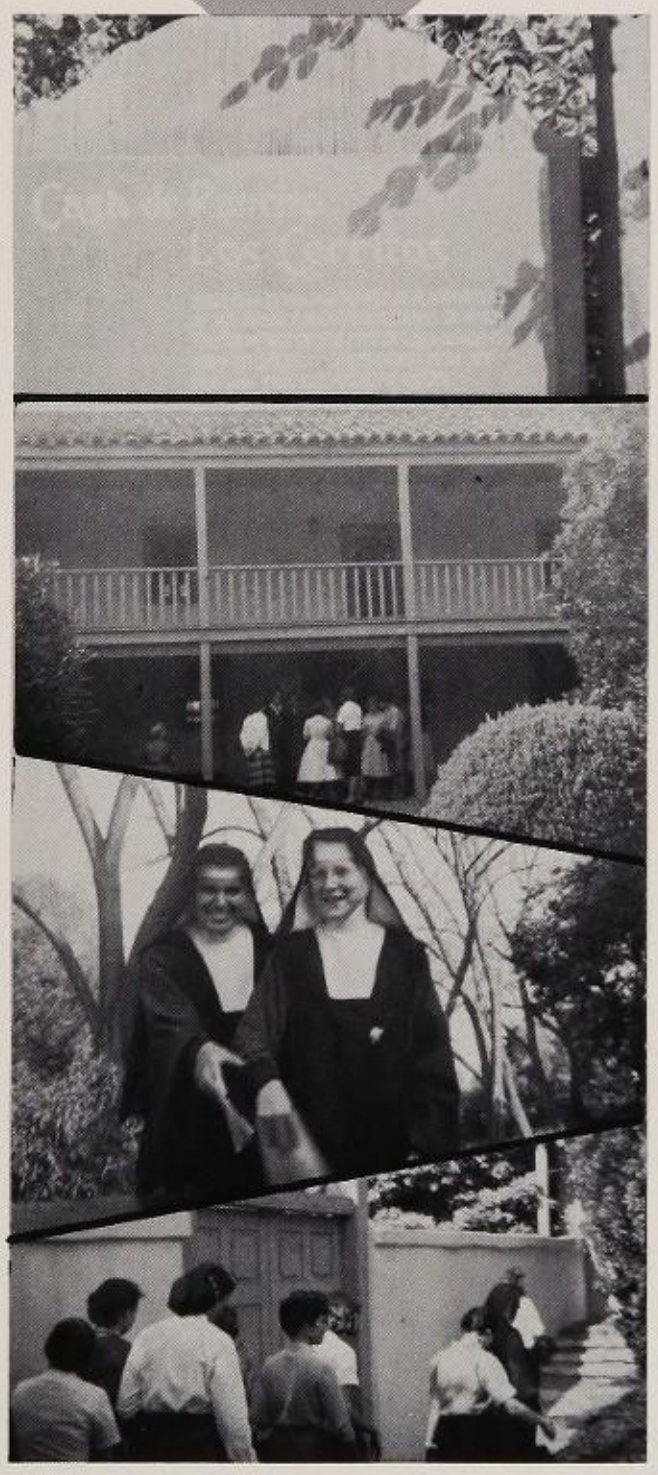
Refreshments—Spanish style—are served after installation of officers.

Las Posadas

A traditional Spanish custom—the recreation of the Nativity drama by narration, pantomime and song—was a combined effort of the French and Spanish Clubs at the Christmas meeting.

Faculty moderators, Sister Dolores and Sister Berta Alicia, enjoy pointing out points of interest on a club field trip.

What Christmas party would be complete without a song-fest, a play and curtain call, a piñata and refreshments?



The quartet of Mike Schuck, Mike Tyo, Dennis Brooks and John Nippolt was one of the big hits of the Christmas concert. Furnishing background music were (Top Row) Bruce Fiedler, Owen Marsh, Dennis Desmond, Henry Morones, James Love, Keith Wieland, Bob Latham, John Gonsalves, Mike O'Connor, John Petrich, Tom Flood, Frank Colonna, Chris Lee, John Fitzpatrick and Charles Terry. The growth of St. Anthony's reputation in the field of music in recent years owes no small amount of credit to its fine Boys' Glee Club under the guidance of the Rev. James Hansen. An all time attendance record was set this year at the Christmas concert when more than 2,000 people attended the two night performances of the concert.

The Glee Club emphasizes the development of taste for good music while giving its audience and its members an enjoyable time. Anyone who has attended the concerts or listened to one of the five record albums produced by the group in the past several years will attest to the versatility of the choral group. The Glee club's selections range from the deeply religious to light comedy, but all is done with a maximum of skill.

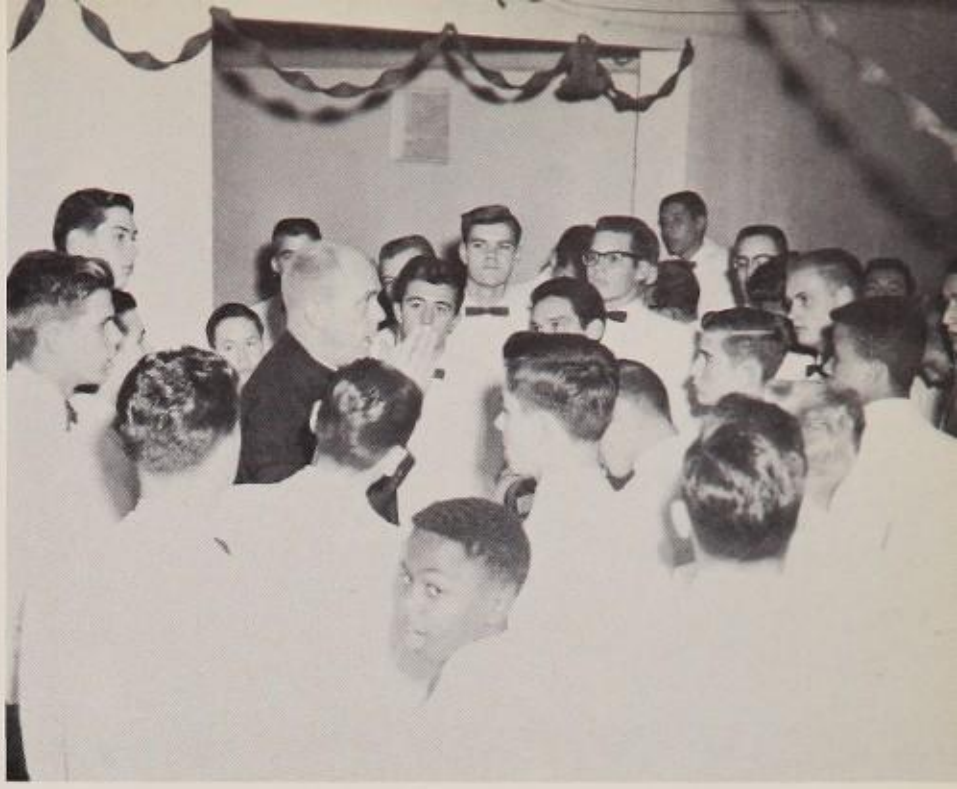
The members of the choral group feel that they can praise God by offering their voices to Him and at the same time have fun. They actively participate in religious devotions at St. Anthony's church on special occasions, in addition to making public appearances at concerts, banquets, and assemblies.

Glee club work is both curricular and extra-curricular at St. Anthony. The boys—62 in number during the second semester—assemble for class each day at Zero period, before the start of the regular school day. Many other practice sessions are also held on the student's own time in preparation for concerts. The great demand for the current edition of "Sing Along With the Saints" album attests to the growth in stature of the Boys' Glee Club.

An Irish Jig puts life into a novelty skit.

The Boys' Glee Club renders "Sit Down Sinner."

Father Hansen keeps the boys on a mellow note.



The choristers receive their last minute pep talk before the Christmas concert.

A group of Sacred numbers with Scripture reading by Michael Woods was one of the features of the winter concert.

Girls' Glee

Providing an enjoyable cultural outlet amid busy schoolday activities is the St. Anthony Girls' Glee Club, under the inspiring direction of Sister Mary Grace, I.H.M.

Through group practices glee members learn self-discipline, personal improvement and a spirit of giving. An appreciation for all types of music is acquired through participation in the liturgy of the Church, the regional choral festivals, the "massed group" spring festival and the spring concert.

Thus each girl becomes poised, self-confident, and grows spiritually and socially as well as culturally.

The St. Anthony Boys' Band has once again completed a highly successful year. It has presented its interpretation of school spirit through its 36 talented musicians. Organized for its 5th consecutive year under the guidance and direction of Mr. Plummer, its music has added enthusiasm to football and basketball games, the Girls' Basketball Tournament, and innumerable pep rallies. Away from school, the band has participated in the All-Catholic Band Concert under the direction of Paul Weston at the Shrine Auditorium, the annual Band Festival, and various other events. The band closed its year of service by providing the processional music for the commencement exercises of the Class of '61.

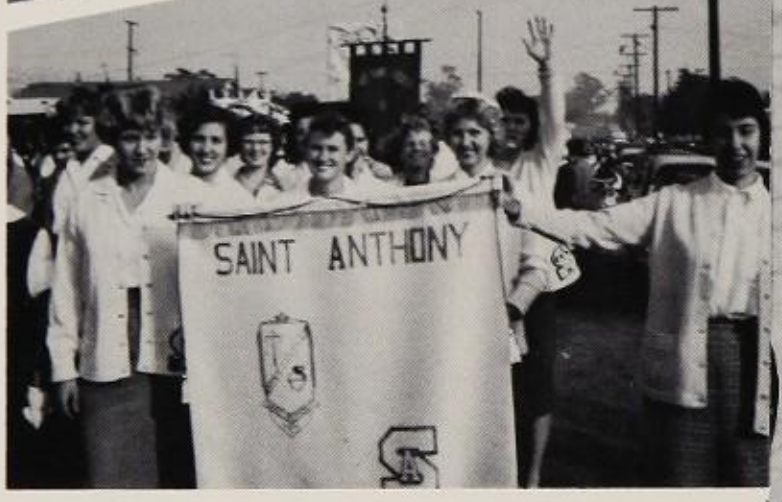
BAND

Many hours of conscientious practice on the part of the band resulted in a tremendously successful Christmas Concert. This was due in part to the change from traditional marches to a variety of cultural and classical selections. The rendition of Victor Herbert favorites, the novelty tune "In a Clock Shop" and others proved to be enjoyable deviations.

In comparing the recording of this year's concert with that of the previous years, Mr. Plummer declared that this performance far surpassed the earlier ones.



On Sunday, December 11, the Thirtieth Annual Guadalupe Procession was participated in by 205 St. Anthony students, members of the campus's four largest clubs—Phi Delta Theta, Sodality, Spanish Club and the G.A.A. They made their way by bus to Los Angeles for the event.

The Procession began at Our Lady of Soledad Church and proceeded to the East Los Angeles Junior College Stadium. Along the route banner-carrying marchers sang hymns and recited the rosary in both Spanish and English. At the stadium a sermon in Spanish and Solemn Benediction of the Most Blessed Sacrament climaxed the day of tribute.

When the assembly dispersed the "Saints" — two hundred girls and five courageous boys — returned happily homeward filled with a deeper devotion to Our Lady.

THE LEADERS CLUB

The Leaders Club is a service group organized to aid the Athletic department. They are helpers to the Athletic Director, coaches and managers. Such services are performed as keeping statistics, lining playing field, acting as football yard chain attendants, timing and scoring Cee and Bee basketball games and a multitude of other chores. A very important contribution to the school is supervision and organization of the intra-mural athletic program. The special promotion of the 1960-61 school year was a raffle to secure a new school banner.

The Leaders Club officers include: Joe McKenna, president; Allen Vaughn, treasurer; Rick Valois, vice-president, and Bob Howard, Sergeant-at-Arms. John Gonsalves is secretary.

THE SERVICE CLUB

A comparable organization to the Leaders Club for non-athletic events is the Service Club. They perform such services as cleaning up after Canteens and various school banquets. A particular service this year has been taking care of the dishes at the First Friday fish dinners. Service Club officers include Tom Grajeda, president; Manual Ortega, vice-president; Rick Valois, secretary; and Frank Collona, sergeant-at-arms.

It was a wonderful addition to the school in '60 and it will be enjoyed by many classes in the future.

The sock-hops were an integral part of the social life in '60-'61. The Homecoming Dance, Pumpkin Prom, and the Back-to-School Dances were very successful. In spite of the worn-out socks, everyone had a good time as these pictures clearly illustrate.

The homecoming day started with a mixed assembly in the yard. **Sister Marie Therese, I.H.M.,** and **Brother John McLaughlin, C.S.C.,** the principals of the respective departments, gave pep talks at this time, firing the students up. The game furthered the success of the day, the Saints running over the Loyola Cubs, 39-13. The evening was climaxed by a sock hop in the gym.

The activities of the Christmas holidays were highlighted by the Juniors' presentation of the first date dance of the year. Adding a colorful note to the activities, gifts which were brought by each couple were placed under the tree and later given to needy children. Midway through an evening of music by the Nocturnes, Nancy Graham was crowned Snowflake Queen by Junior class presidents, Chelena Spina and Ted Moscheau.

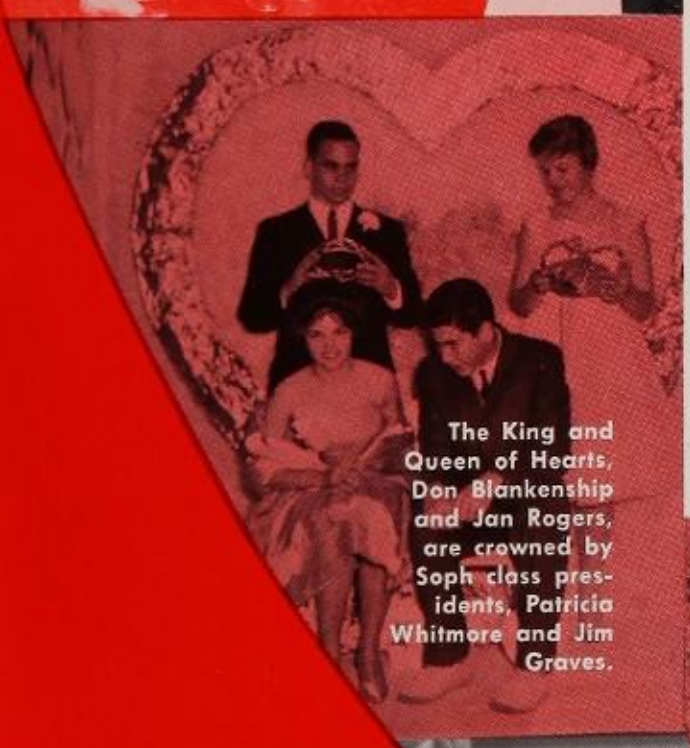
Fantasy of Hearts! This, perhaps, was the most appropriately named dance of the school year. There were hearts everywhere—hanging from floating balloons, clinging to the walls, and attached to the throne. The soft mood inspired by these decorations was pleasantly offset by the exuberant music supplied by the Nitecaps. This combo consisted of talented boys from our school and featured singer Manuel Ortega. The atmosphere which these factors gave the evening made it a true "**Fantasy of Hearts.**"



The King and Queen of Hearts, Don Blankenship and Jan Rogers, are crowned by Soph class presidents, Patricia Whitmore and Jim Graves.

WEIGH-OUT HOP

The night of January 21 saw some strange happenings around S.A. for that was the evening of the backwards dance. Girls were opening doors, seating boys, and paying the bills!
The theme and decorations for the event were from "outer space"; the name of the dance—the "Weigh-Out Hop." As the boys came to the door they were ushered to scales and weighed in — literally! The cost of admission was a penny a pound for every lb. over a 100.

ATHLETICS

Parade of Champions

The fall and winter sports program at St. Anthony was truly a parade of champions. For the first time in history, the Saints won or shared three titles and had three squads enter the CIF playoffs. Not only did the football and basketball squads share Catholic League crowns, but the cross country team made its best ever record in winning the league championship.

The Girls' Department teams also added to the championship picture. The basketball squad swept everything in its path in compiling a championship season, while the volleyball squad finished second. The football Saints pulled a bit of a surprise in winning the Catholic title. Coach Leo Haggerty's squad had suffered heavy losses from the 1959 squad, but came through with many stellar performances. Meeting such powerful non-league teams as Compton and Glendale, as well as Catholic League powerhouses, the Saints played courageous football and well deserved their honors. They met defeat only after a share in the league crown had been assured. Jack Snow and Tyrone Price grabbed off most of the individual honors in winning CIF ratings.

Brother Thomas Frey's cross country squadmen were also underdogs in pre-season speculation. But led by Myles Moran and Tom Grajeda, the harrier Saints swept both the dual meet and the Catholic league championship. Moran and Grajeda both won All-City berths, marking the first time two Saints have been so honored the same year.

Coach Jack Errion performed feats of magic with a squad that had little hope of winning the crown after two weeks of league play. But the dopesters who foresaw the end of Saint Anthony's string of championships forgot to tell the Saints. They came on with a stretch of eight wins to share the crown with Mt. Carmel. Price again won CIF honors, and with Walt Peterson made the first All-Catholic team.

The Girls Volleyball team almost made the year a completely championship affair but lost to Mary Star of the Sea.

Saint Anthony's winningest squad, however, turned out to be the undefeated Girls' Department basketball team. Not only did the Girls whip all their league foes, but emerged unconquered in both the CYO Archdiocesan championship and the St. Anthony Invitational tournament. The final game of the 17th annual meet saw the Saints beating Pius X in a 42-41 thriller. Sandy Derouin was named "player of the tournament," and Beverly Galyean and Judy Devanney were named to All-tournament teams.

Catholic League Co-Champs

St. Anthony's dream of a 1960 CIF football championship ended on the turf of Ramsaur Field when the Saints fell to Centennial's speedy Apaches, 14-13, in a heart-breaking thriller in the first round of the playoffs.

But it was a magnificent dream while it lasted—and it lasted long enough for the Saints to gather in their first Catholic league crown since 1955. Even though they had to share this crown with Notre Dame's Knights, the Saints defeated Notre Dame, along the way, 32-13 to receive the CIF playoff bid.

The Saints almost completed their first undefeated season, but fell 19-14 to Serra in the final game of the regular season. In the CIF game, the Saints went down to defeat like champions. They were still very much in the contest until the final seconds of the game. Trailing by one point, the Saints brought the ball to the Apache 30 yard line before surrendering in the waning minutes.

The game started off with the Apaches scoring on a 72 yard drive, with Jack Williams tallying from the five. The Saints tied the score just before the half ended with a four yard TD pass from Dave Adlesh to Jack Snow.

A beautiful 29 yard pass play, Adlesh to Tyrone Price, gave the Saints a 13-7 lead in the third quarter. However the line plunge for the extra point was unsuccessful.

Larry Todd, the speediest back that the Saints faced all season, engineered and scored a touchdown halfway through the final quarter. He also ran the extra point that proved the Saint's undoing.

St. Anthony got possession of the ball twice in the waning minutes, but penalties slowed down their final thrusts. The team played well, but just couldn't match the Apache speed.

Although the season record was primarily a team effort, several players were individual standouts. Price, Snow and Adlesh were consistent topnotchers. Tom Wahls, Homer Williams, John Clarke and Jim Kott, among others, were also fine performers in every game.

REGULAR SEASON GAMES

SAINTS—26 **BALDWIN PARK—0**

St. Anthony opened its highly-successful 1960 grid season by defeating Baldwin Park, 26-0. Scoring in every period, the Saints wasted little time in showing the visitors who was boss. Taking the opening kickoff, the Saints marched 73 yards with Tyrone Price tallying from 17 yards out. From then on it was all St. Anthony with the Saints line completely dominating the Braves. Price scored again and Mike McDiarmid and Homer Williams, who racked up 127 rushing yards, aslo tallied.

SAINTS—13 **COMPTON—7**

The Saints rolled to a 13-7 win over favored Compton. This win brought the Saints high in the CIF standings where they stayed for the rest of the season. The victory came in the last four minutes of play when Dave Adlesh hit Tyrone Price with the winning touchdown pass. The same combination also scored the first touchdown. Homer Williams accounted for the extra point.

SAINTS—26 **PIUS X—0**

St. Anthony's ground attack and defensive line looked sharp as the team opened its Catholic League campaign. Tyrone Price scored twice and Adlesh and Williams also tallied. Williams' touchdown followed a fumble recovered by Mike Tyo. Co-captains, Jack Snow and Tom Walsh headed a strong defensive line.

SAINTS—26 **CATHEDRAL—0**

The Saints demolished the "Phantoms" with a lightning-fast offense and a stout defense. Price made it 50 points in the first four games by scoring two touchdowns. One came on a brilliant 71 yard run. Williams also exploded for 65 yards to score, with John Clarke, Mike Tyo and Tom Walsh clearing the way. Bob Arboit bucked over for the final score. Tom Dunn and Paul Johnson were sharp on defense.

SAINTS—13 **GLENDALE—13**

Defending against a single-wing attack for the first time, St. Anthony came through with a clutch touchdown late in the final quarter to deadlock a strong Glendale team. Rick Contreras scored the first touchdown and an Adlesh to Price pass managed to knot-up the contest. Jack Snow came through with the badly-needed extra point.

SAINTS—32 **NOTRE DAME—13**

Playing the team that eventually tied them for the championship, the Saints showed themselves as the league's best. After a mediocre 13-13 first half, the team played brilliantly in the second half. Dave Adlesh stood out with three touchdown passes. Dave hit Snow twice, and Price once. Jim Kott and Dave Rutolo also ran for scores. The defense was led by linebacker, Mike McDiarmid, guard Tom Walsh, and end Bob Simpkins.

SAINTS—39 **LOYOLA—13**

Homecoming night saw the Saints running and passing over the Loyola Cubs. Versatile, Tyrone Price, once again proved his ability with three touchdowns, one on a sensational 90 yard punt return. Williams and Jim Kott scored in addition to making much yardage throughout the game. Jack Snow picked up nine points on a touchdown and three conversions. Guards, Walsh and Johnson, and Clarke, Tyo, Dunn, and Snow were sharp on defense.

SAINTS—18 **MT. CARMEL—15**

Spotting the Crusaders 15 points in the first quarter, St. Anthony came back with a brilliant rally to end the "Carmel jinx". Jim Kott sparked the first drive with a seven yard sprint into the end zone. Ty Price's 41 yard sprint followed by a two yard plunge for a TD in the third quarter brought the team within hailing distance. In the final quarter, the line set up the third touchdown with rugged defensive play. Snow took a pass from Adlesh for the winning score.

SAINTS—13 **SERRA—19**

Scoring in the last three minutes of play, Serra shattered the Saints' hope for the school's first undefeated season. The team almost pulled the game out of the fire with a closing thrust on sparkling runs by Jim Kott and Price. But, the Caveliers were not to be denied. Price scored both St. Anthony's touchdowns, one on a 69 yard scamper set up by a sensational block by Homer Williams.

High scorer among the major schools of the CIF, Price was unanimous choice as All-Catholic and All-City back and was on the third team of the CIF. Tyrone was also one of the chief defensive cogs in the St. Anthony grid machine, nabbing many passes for long returns.

Jack Snow was named All-CIF for his fine defensive and offensive end play. Jack had the happy facility of coming up with the big play at the opportune time. He was also All-Catholic and All-City.

Head Coach, **Leo Haggerty** (center) was ably assisted by **Gus Panella** (left) and **Vinc Buonocore** (right).

Jack Snow was named first team end on the All-CIF squad, and teammate Tyrone Price was named a third team back. Both Snow and Price were outstanding choices for All-Catholic and All-City honors. Snow, in addition, was named the Long Beach "Lineman of the Year." John Clarke was also named to the first string All-Catholic squad at center, and was named to the second team All-City. Under the coaching of Brother Thomas Frey, C.S.C., the Cross Country team turned in a nine win, one loss record to win the first Catholic League cross-country championship in Saint history. The season was capped by victories in both the varsity and junior varsity divisions of both the All-Catholic meet and the league crown.

Going into the final meet, the varsity squad was tied with Pius X, but as the dust settled on the All-Catholic meet, Saint Anthony was the champion. Pius inflicted the only blemish by three points in a dual meet. The Saints went on to finish third in their division of the CIF semi-final race.

The Junior-varsity nosed out Notre Dame to win its championship also. Notre Dame had inflicted the only defeat on the JV squad by a single point in a dual meet.

Constant top finishers for the varsity were Tom Grajeda, Tom Ashburn and Myles Moran. Rounding out a strong varsity squad were John Nippolt, John Gonsalves, Bob Howard, Rick Valois, Bob Truman, and Jack Plutte. Grajeda and Moran were honored by being selected on the All-City team. The Harriers owe their championship to the fine coaching of Brother Thomas, the leadership of the co-captains Bob Howard and Tom Grajeda, terrific spirit and hard work.

The Championship J-V squad included: Tony Gonsales, Ed Gualpa, Mike Carey, Bryan Whalen, Alan Vaughn, Jack Plutte, Robert Bammer, Ted Bauer, Mike Schuck, Robert Faires, Ray Macken, Narsisco Cruz, John Romero and Don Kennelly.

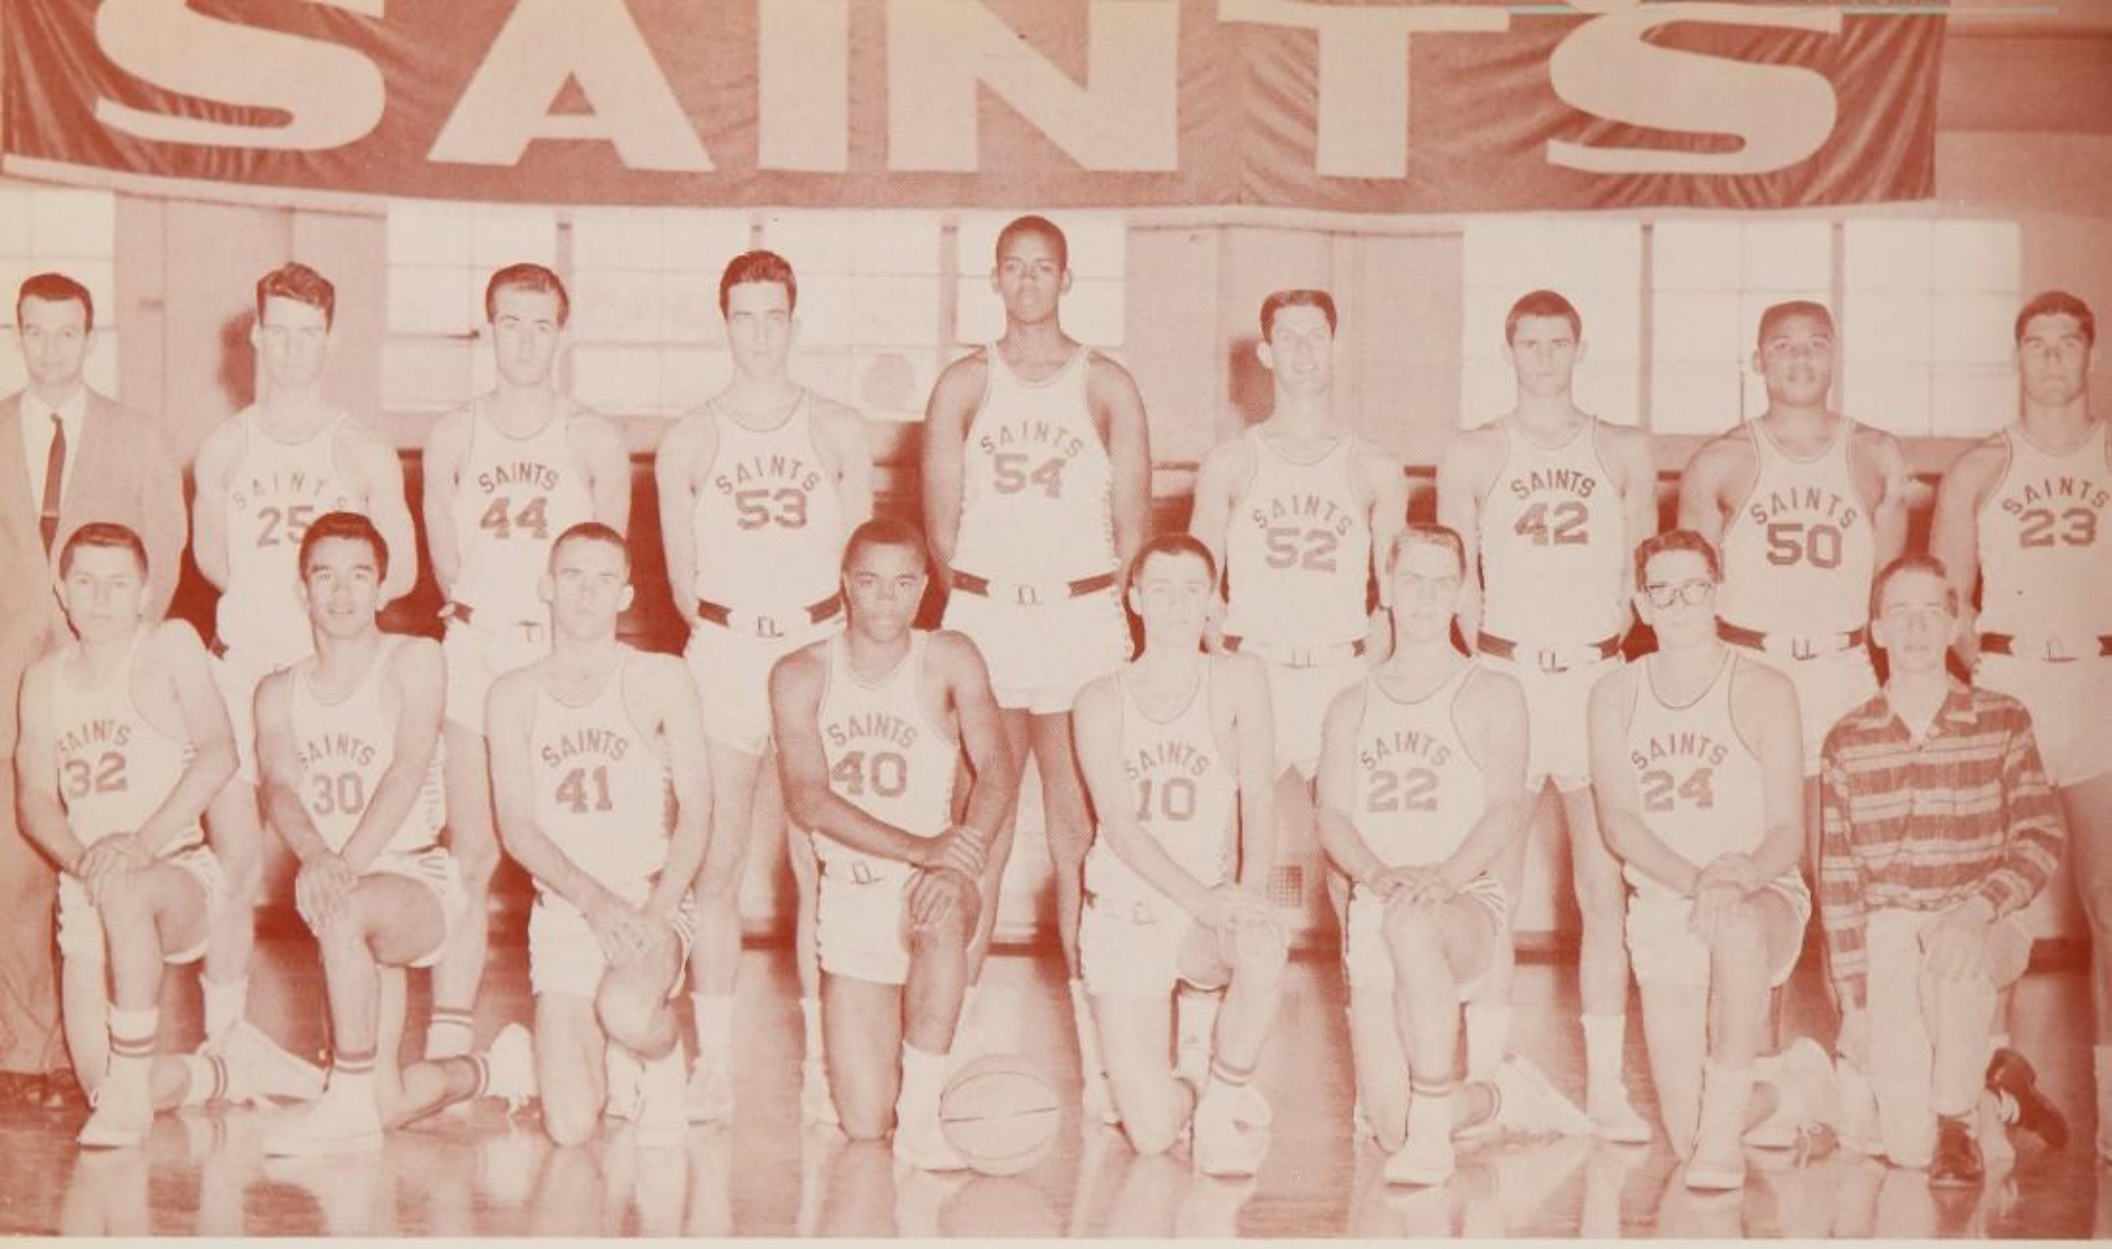
Typical of the great cross-country spirit, Captain Tom Grajeda is really pulling for Ted Bauer to win a JV race. Other enthusiasts include football star, Paul Johnson and harriers, Myles Moran and Tom Ashburn.

Varsity dual meet race winners include (lower left) Ashburn, Grajeda, and Moran. (Center) No cross-country story would be complete without the "Jungle Cruiser." JV individual race winners (right) include Plutte, Truman, Howard and Bauer.



Co-champs of the Catholic League, the 1961 Saints varsity team included: Kneeling—Joe Pichardo, Manuel Ortega, Bob Gillissie, Tyrone Price, Rick Valois, Alan Priest, Tom Weddick and Manager Ed Abair. Standing—Coach Jack Errion, John McFadden, Pete Talley, Don Cornwell, Ron Gilliland, Ted Moscheau, Walt Peterson, Homer Williams and Paul Johnson.

Catholic League Co-Champs

Characterized as "a team that refused to be beaten and refused to beat any team by much," the St. Anthony cagers parlayed a modicum of skill with a maximum of heart into a co-championship of the Catholic League, and a respectable showing in the CIF. Starting with only two hold-overs from the 1960 championship squad, Coach Jack Errion built a squad that brought the Saints to their third consecutive league crown. The Saints were forced to share this crown with the powerful Mt. Carmel squad, but most of the season most fans did not anticipate even a share of the crown. The season was a splendid example of coach and team co-operation.

The Saints got off to a rather inauspicious start for the season, although they did manage to take the Dominguez Classic crown while surrendering their Compton and Covina titles. With only four games played in the Catholic legue season, the Saints held a two win, two loss record. But the gallant crew rolled past eight consecutive Catholic league foes, including Mt. Carmel and Pius X in the same week, to share the title. The win streak was continued into the CIF playoff with a thrilling 66-65 overtime comeback win over the strong El Segundo squad. A very mediocre night against Long Beach Jordan at Long Beach State gym ended the string at nine games, and the hopes for a CIF crown. During the regular season, the Saints defeated four CIF teams —Compton, California, Centennial and Mt. Carmel, as well as such powerhouses as Leuzinger, Pius X and Loyola.

The varsity squad had a record of 19 wins and seven losses overall. It compiled an 8-4 record in pre-season play. Perhaps the outstanding accomplishment in pre-league play was splitting a pair of games with the eventual CIF title winner, Compton. Both games were down-to-the-wire thrillers. In these contests the Saints also had the thrill of holding the CIF all-time scoring recordholder, Fred Gross to 13 and 15 points. Gross averaged well over 30 points a game in breaking the CIF record and only two other times was held under 20 points.

Individually the Saints were led by Co-Captains Walter Peterson and Tyrone Price. Price was one of the leading scorers in City and Catholic league play, while Peterson was a consistent point maker as well as an outstanding defensive player. The squad usually was rounded out by Homer Williams, Don Cornwell and Pete Talley. Williams and Cornwell proved to be capable rebounders and occasionally contributed strong offensive efforts. Bob Gillissie and Rick Valois also started on occasions and saw considerable actions in substitute rolls.

Talley and Williams are Juniors and are expected to form a nucleus for the starting five on the 1961-62 squad.

The Saints can always count on plenty of help from their spirited cheering section.

Coach Jack Errion engineered the Saints to their fourth Catholic League crown in the last five years.

A nine game winning streak in mid-season featured the season's play. This included a victory over Notre Dame's league champions. The Bees won ten and lost two games in league play and finished with a 12 win, four lost, record for the entire season, winning 14 out of their last 16 games.

Champions in furnishing pep for the Saints, the White Stags are a big asset at a home basketball game.

Pat Le Blanc, the 1961 leader of the White Stags.

Saint Anthony has long been noted for its excellent spirit in backing its football and basketball squads, but in recent years, since the establishment of the White Stags organization, it has proven itself second to none in the Southland as a cheering group. The White Stags is primarily a group of 200 members of the Boys' Department who dress in white shirts for home basketball games. But the organization has evolved into more than just a limited group. It has proven to be a leaven which inspires the whole student body to greater cheering efforts. On more important occasions lettermen join with the club to form a block "SA." The group has been widely imitated, but not equalled, by other cheering sections.

White Stag members join with the student Cheerleaders to urge the Saints on to victory.

CATHOLIC LEAGUE CHAMPS

The 1961 Baseball team wound up the parade of champions for the school year by breezing to the league crown with only one defeat. Led by the pitching of Walt Peterson and Mike Verdun, and the steady stickwork of Jack Snow and Dave Adlesh, the Saints outdistanced their opposition. In the CIF playoffs, the squad went to the quaterfinals where they were defeated by CIF Champions, Compton, 4-3, in a nine inning overtime contest. Coach Gus Panella, leading his first varsity squad, paced his team nicely. After losing each of the pre-league contests, the Saints lost only a one hit, 1-0 game to Notre Dame before bowing to Compton in the play off. A 4-4 overtime tie with Serra was the only other Catholic league blemish.

The Saints defeated a strong Morningside squad in the first game of the CIF playoffs before losing to Compton.

Coach Gus Panella gives last minute instructions to Jack Snow, John Gonsalves, Walt Peterson and Alan Vaughn, seniors on the 1961 squad.

St. Anthony players won wide recognition in the City, CIF, and Catholic League competition. Dave Adlesh (left) was second team All-City catcher as well as the outstanding receiver in the Catholic League. Walt Peterson was selected to play on the CIF team that faced the Los Angeles High School All-Stars in addition to winning City and Catholic league honors. He was second in the Long Beach "Player of the Year" balloting. Jack Snow won All-City award with his .420 batting average. John Gonsalves (right) was second team All-City. Mike Verdun, Alan Vaughn and Rick Hayes also won all-city mention.

The 1961 baseball season at Saint Anthony's was one of the most interesting in years. Although there were several really outstanding players, team effort was the predominant characteristic of the Saints. The team possessed all the assets of a champion—good pitching, hitting, fielding excellence, good base running when needed, and most of all, hustle. Much of the team's defense revolved around the outstanding pitching of Walt Peterson, who allowed only two earned runs during the regular season. Both of these were home runs. However very tight-infield defense helped considerably. Snow, Adlesh and Hayes led the hitters, but Gonsalves, Peterson, and Vaughn got timely hits on many occasions. Hayes, a sophomore, won the "Rookie title," and Alan Vaughn was the year's "Most Improved Player." Walt Peterson was selected as "Most Valuable." Mike Verdun, the second pitcher, gave promise of things to come, also, in turning back several Catholic League foes. Only Peterson, Vaughn, Gonsalves and Snow are seniors.

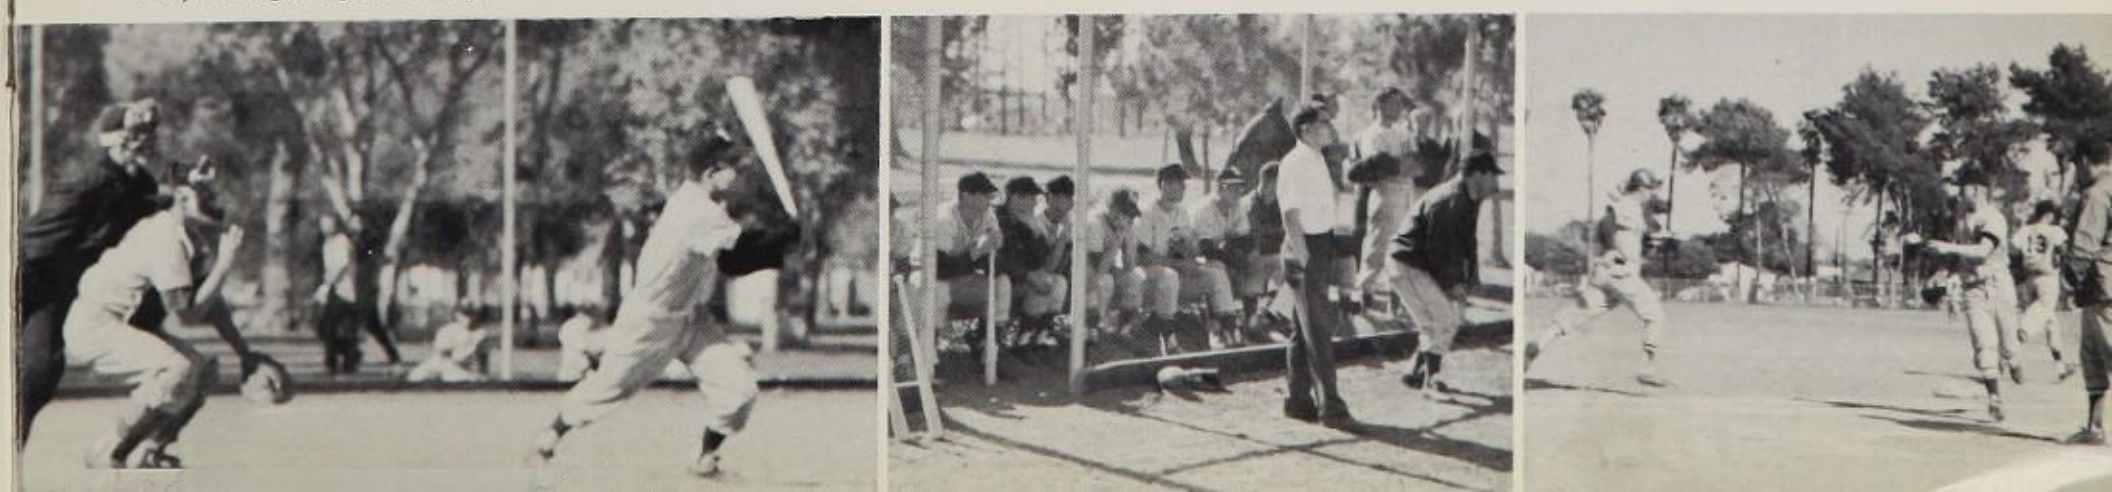
Alan Vaughn (left) rips out a hit in the Notre Dame contest that closed out the regular league season. Manager Riopelle and Coach Panella lead the yelling as the team starts a rally against Notre Dame (center). "Rookie of the Year" Rick Hayes make a good recovery at first base to prevent a Knights' rally from getting underway.



The J-V baseball team members included: (First Row) Mike Soules, Mike Kaiser, Jim Dobyns, Harold Clayton, Rick Catton, and Bruce Vandagriff. (Second Row) Don Bowers, Mike O'Connor, Mike Gavin, Guy Bender, Jerry Banks, Dana Hart and George Beckman. (Third Row) Jim Labac, Larry Cusimano, Larry Schima, Gene Brown, Jerry Jenson, Mr. Yelle, and Coach Jack Errion.

JV BASEBALL TEAM

Although the JV baseball team won only four of 17 contests, it showed considerable skill in many of its contests. More than half the games were lost by two runs or less. In the league play, the JV Saints were able only to defeat Mt. Carmel, Loyola and Cathedral each once. Outstanding players included George Beckman and Jerry Jenson and several freshman players who showed prospects of serving the Saints in future years. Beckman pounded the ball at a .357 clip to lead all batters. Jensen shared the pitching honors with Jerry Banks and lost several heart-breaking contests, two of them 1-0 defeats. Jensen also hit .263 for the season.

JV coach Jack Errion talks to George Beckman, Gene Brown, Jerry Banks and Jerry Jenson.

LETTERMEN

Members of the 1961 Lettermen Club include Jack Snow, Paul Johnson, Bob Howard, Mike Carey, Joe McKenna, John Gonsalves, Alan Vaughn, Jack Plutte, Tom Grajeda, John Nippolt, Pete Talley, Walt Peterson, Ray LaBlanc, Homer Williams, Mike McDiarmid, and Dave Rutolo. (Second Row) Tom Ashburn, Bob McConnell, Ed Fischer, John Clarke, Dennis Brooks, John Petrich, Bob Arboit, Mike Tyo, Rick Valois, Ray Macken, Tom Flood, Jim Kott, Bob Truman, Rick Riopelle, Tom Dunn and Tom Walsh. The Saints' Varsity Track team members were (Back Row) Coach Vincent Buonocore, Dennis Schatz, Bob Corkish ,Dave Weber, Mike McDiarmid, Owen Marsh, Ron Wasinkowski, Tom Ashburn, Myles Moran, Tony Nixon, Jim Kott, Ladislao Mendoza, Joe Lopez and Manager Mike Mangoian. (Kneeling) Jim Walsh, John Supancheck, Ray Hamby, Jim Supancheck, Nick Miraglia, Roy Conn, Edmundo Sutelo, Mike Horan and Dennis Bourassa.

VARSITY TRACK

The 1961 Track team made a very creditable showing, finishing fourth in both the Catholic League and the Catholic League CIF qualification meet. This record was made despite key injuries which plagued the team throughout the season. Outstanding performers included Myles Moran, who finished second in the Catholic League meet and third in the CIF semi-finals in the 440 yard dash; Tom Ashburn, who set a new Catholic League record in the 1320 "B" division race; Jim Kott, who came within an inch of the school record in the Broad Jump; Ray Hamby, consistent hurdler point-getter; Nick Miraglia, who came along fast in the 100 and 220 yard dashes, and Mike McDiarmid, who contributed greatly to the 880 relay team in addition to running the sprints and 440. The sprints medley relay team of Kott, Moran, Miraglia and Ashburn gave outstanding performances in the Santa Ana, Huntington Beach and Notre Dame relays. Coach Vincent Buonocore did an outstanding job as a first year coach.

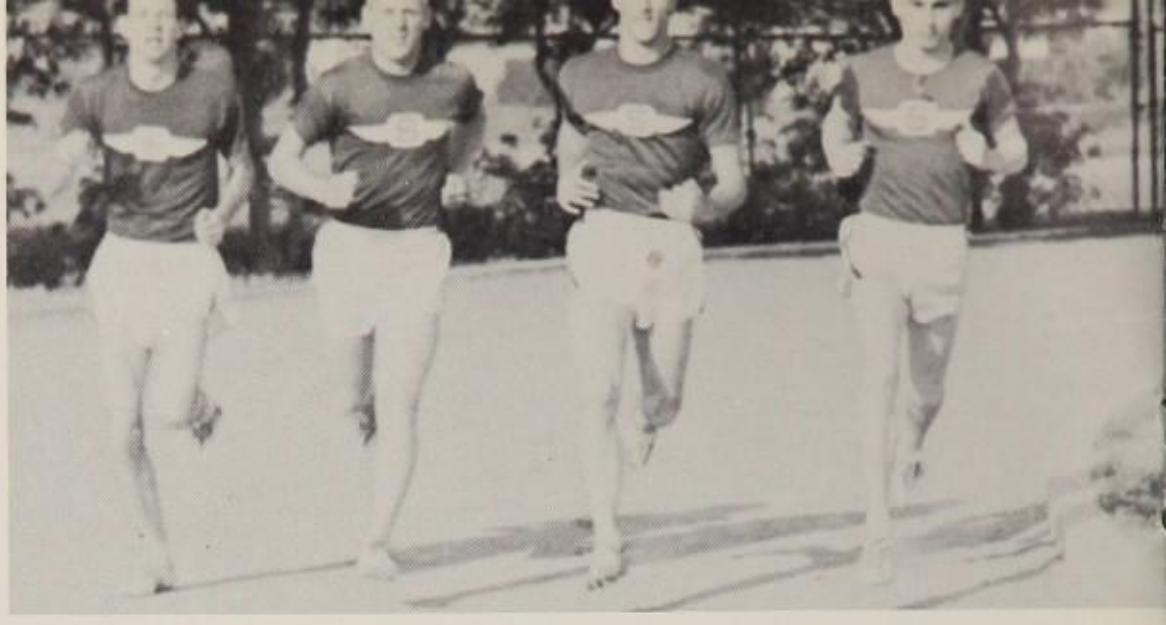
Pre-meet sessions call for warming-up exercises, and huddles on last minute plans.

Tom Ashburn wins the mile against Mt. Carmel. **Owen Marsh** was the Saints' best vaulter. **Ray Hamby**, hurdler, scored 104 points to head all trackmen during the season. **Mike Horan** is a promising sophomore shot putter. **Jim Kott**, although hurt most of the season, hit 21 feet often in the Broad Jump. **Kott** and **Nick Miraglia** were top-notch dashmen.



Tom Ashburn, Jim Kott, Nick Miraglia and **Myles Moran** formed the best relay team in recent years at St. Anthony. As a sprint medley team, the quartet had several near record performances.

BEE TRACK TEAM

Although the Bee and Cee trackmen did not win many meets this year, they did have several capable performers among their numbers that promise hope for future Saints teams. Among the Bee's, Joe Hilden, Paul Auriemma, and Mike Maloney scored often in the sprints and hurdles. Jim Walsh and Mike Lavia were the best of the distance men. Walsh, Mike Horan and Charles Merino also competed with the varsity later in the season. Dashman, Dennis Jacobe, was high scorer for the Cee's with 48 points. Other outstanding performers were Narcissco Cruz, Mike Curran, Ed French, Richard Pearson. Don Kennelly set a 1320 yard run school record in the Catholic League meet.

Dennis Jacobe and a Mt. Carmel dashman run a near dead-heat with Richard Pearson coming on strong to take third place.

St. Anthony's Cee trackmen include: Student Coach Bob Montenegro, Edward French, Dennis Jacobe, Rich Pearson, Dick Payne, Mike Curran, Narcissco Cruz, Denis Ponzuric, Ken Erdmann, Pat Ward, Randall Jackson, Tim Walker and Frank Owens, manager.

June 4—Senior Mass

Our favorite speaker, Monsignor Bernard J. Dolan

The Most Reverend Alden J. Bell, D.D., presided over the colorful commencement exercises held at St. Anthony's Memorial Stadium. Speaker of the evening was Dr. Frederick Quinlan and student speakers Carole Shoemaker and Alexander Hahn. For the graduates of 1961, June 8 is a date that shall always linger in their memories.
